About Us

The 'ALDER' range of furniture is recognised in India as a leader in exceptionally crafted wooden masterpieces. The innovative creativity, prime product quality and high-end features of the furniture in tandem with appealing price structure are its unique selling points that have helped to successfully market the product all over India through a strong dealer and distributor network.

True to its motto - 'Quality Prime' - ALDER group upholds its high quality standards at every step right from infrastructure, procurement of raw materials, manufacturing practices, marketing to after sales services, ensuring customers' confidence in ALDER products. Thus, we once again take pride to introduce the all new range of furniture to give our customers a fresh choice.

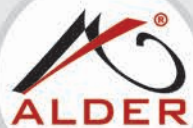

At Alder we use state of the art CNC machinery to craft each and every component of the furniture ensuring accuracy of upto 0.1 mm in the manufacturing process.

With this commitment to quality and accuracy, we can also offer to turn your creative ideas into reality.
